## 透亮肌底油 Camellia Glowing Oil

It is suitable for all skin types, whether it is sensitive skin, acne skin, or mature skin. It can be used with peace of mind. It contains rich nutritious essence oil, which comes from the power of plant extracts. Among them, the unique organic beauty ingredient: camellia saponin, exclusive from camellia oil, can promote the elasticity and moisturizing function of the skin.

Just a few drops can strengthen moisturizing and brighten skin. It can not only moisturize dry skin, but also repair damaged cells. It can even be used as a pre-makeup skin care oil to hold the makeup more naturally.

## Camellia Cleansing Milk

### BETAINE:

It can provide multiple skin care effects such as moisturizing, antioxidant, and brightening skin tone. Also reduce the adverse effects of irritating ingredients on the skin. It is a very trustworthy cleanser ingredient.

### POTASSIUM COCOYL GLYCINATE:

Amino acid type anionic surfactant is mildly acidic with a pH value between 5.0 and 7.0, which is close to the pH value of human skin. It does not irritate the skin and is very gentle. There is no need to worry about being harmful to the skin. It has smooth and elastic foam, has good affinity with the skin, is easily adsorbed on the skin surface, and delays the evaporation of skin moisture. Therefore, the skin is very soft, comfortable and not tight after washing.
